

DETAILED ACTION

This is the fifth office action for U.S. Application 10/521,245 for a Support for Electrical Display Device filed on August 26, 2005. Claims 10 and 12-20 are pending.

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on May 20, 2009 has been entered.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Keith Noe on March 16, 2010.

The application has been amended as follows: In claim 12, the number "11" has been deleted and replaced with - - 10 - -.

Allowable Subject Matter

Claims 10 and 12-20 are allowed. The following is an examiner's statement of reasons for allowance: The prior art does not disclose a universal joint in the form of a part spherical bearing that is mounted to one support member so that the joint cannot move relative to the support member, the bearing being positioned slidingly in a bearing seat comprising a looped element that has opposite ends with an arcuate surface that compressively receives the bearing, the opposite ends of the looped element being attached to another support element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to STEVEN M. MARSH whose telephone number is (571)272-6819. The examiner can normally be reached on 8:30 am - 7:00 pm (Monday-Thursday).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, J Allen Shriver can be reached on 571-272-6698. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
